WHAT TRUSTEES SHOULD REGISTER AND DECLARE

As a general principle you should register and declare anything which a member of the public might reasonably think puts you at risk of being biased by putting private considerations above the public interest or seeking preferential treatment for yourself or people/bodies with whom you are connected.

1. You should register all interests and personal circumstances which could give rise to an interest in a contract or other matter coming before the Trustees.

2. An interest is anything that might influence a Trustee to take into account some factor other than the interests of Penrith and North Lakes u3a and can be divided into pecuniary and non-pecuniary.

3. Pecuniary interests are those where an item under discussion may have a financial benefit to the individual Trustee or their spouse or partner.

4. Non-pecuniary interest can be defined as any factor, which would cause an intelligent observer to think that the judgement of a Trustee is biased.
